

Omni Flying Academy opens registration for new class of Private Helicopter Pilot course

Rio de Janeiro, September 11, 2024 - Omni Flying Academy is open for registration for a new class in the Private Helicopter Pilot course, scheduled to begin on October 15, 2024. Classes will be held in the Evening, making it easier for professionals looking for qualifications in the aviation sector.

The 268-hour course is aimed at people who want to get into civil aviation, with focus on theoretical training. Those interested must be 18 years old and have graduated from high school. To apply, candidates can visit the [website](#) or send an e-mail to escola@omniescola.com.br. The link provides more information on the course subjects and the documents required for registration.

According to Ricardo Pinheiro, General Coordinator of Omni Flying Academy, the institution has played an essential role in training highly qualified professionals to meet the growing demand in the aeronautical market. “The services provided by Omni Flying Academy contribute to strengthening the aviation market, given the need to train increasingly qualified professionals. As the market heats up, the demand for qualified professionals is on the rise and, as a result, the search for a reference training center is becoming increasingly essential”, says Ricardo Pinheiro.

Omni Flying Academy is a leading company in the market and has stood out for its excellence in pilot training, offering a complete infrastructure and instructors with vast experience in the aviation sector.
